## EDUCATION

Having completed my post-graduation in my loving country. I further honed my skills by completing full-stack course from Coder Trust Bangladesh and Shikhbe Shobai. I am passionate web programme and work as a freelancer.

## EXPERIENCE

I am a highly motivated and results-oriented full-stack web developer and website designer with a proven track record of building and delaying robust, scalable, and user-friendly web applications. I'm proficient in a range of front-end technologies, including HTML, CSS, Bootstrap, JavaScript, WordPress customization, installation, and bug fixing. On the back end, I have experience with server-side language PHP and database technologies MySQL. I'm passionate about staying up-to-date with the latest technologies and best practices in web development and website design.
